

& Jackie Walorski Center for Evidence-Based Case Management

Join a Community Expert Group!

The Jackie Walorski Center for Evidence-Based Case Management wants to learn from parents and caregivers about your experiences in home visiting and being referred to community resources and supports!

We are looking for 4-6 parents and caregivers with experience participating in home visiting, either currently or in the past year, who were referred to or linked with other community resources and supports.

Community Expert Group Members will:

- Participate in a 60–90 minute monthly virtual Zoom meeting for approximately 9 months, starting in late August or early September 2024
- Share your experiences, provide feedback on project activities, and make recommendations
- Receive \$150 per meeting

Translation services will be available for group members who speak Spanish.

To learn more, please contact us at ebcm@jhu.edu or use the QR code to complete a brief interest form. **We will accept applications through early August or until the group is filled.** We are looking for parents and caregivers with varied backgrounds who have participated in different home visiting programs. Although we may not be able to include everyone who wants to participate, we appreciate your interest and your time!

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under the Maternal and Child Health Bureau Cooperative Agreement (1 UU6MC50283-01-00) totaling \$4,499,239.00 with 0 percent financed with nongovernmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit [HRSA.gov](https://www.hrsa.gov). The Center is a partnership between Education Development Center; James Bell Associates; the Institute for the Advancement of Family Support Professionals; Start Early; Johns Hopkins Bloomberg School of Public Health; Urban Institute; and Chapin Hall.
